YEARS THREE (3) THROUGH FIVE (5) FROM DATE OF DELIVERY OF THE ORIGINAL PURCHASE (BURR GRINDER PART ONLY – LABOR AND SHIPPING EXCLUDED):

KitchenAid will provide a replacement Burr Grinder (part only) if it has a non-cosmetic defect in material or workmanship that prevents the normal function of the appliance. This coverage is conditional upon your appliance being registered OR if not registered we will require evidence of date and place of purchase. This extended part-only warranty does not cover cosmetic defects, any defects resulting from misuse or external damage of the appliance (including the Burr Grinder part), any costs related to labor or shipping, and does not apply to other parts of the appliance.

Diagnosis Protocol: To confirm a valid claim under this extended warranty, please run this test: turn on the appliance and listen for a grinding noise. If you hear any

grinding noise upon activation, this means that the Burr Grinder part is not faulty. This may result in your warranty claim being denied.
