

THE KITCHENAID®
PRO LINE® SERIES

Introducing the award-winning Pro Line® Series

KitchenAid's new line of countertop appliances combines best-in-class performance with a bold and distinctive design

KitchenAid® is pleased to announce that the Pro Line® Series, a collection of premium countertop appliances now available in Canada exclusively on kitchenaid.ca and high end Gourmet Stores across the country.

The KitchenAid Pro Line Series is among the highest performing countertop appliances in the world. Engineers and culinary designers collaborated to create precise movements, incredible power, quiet operation and easy-to-navigate controls to ensure professional-style results every time. Die-cast materials with premium finishes add durability and a distinctive look to any countertop.

The **award-winning portfolio** of Pro Line Series appliances include:

- **7-qt. Stand Mixer**: KitchenAid's most powerful, longest lasting and best performing Stand Mixer. MSRP \$599.99 CAD.
- **16-cup Food Processor**: The first residential food processor with hands-free, commercial-style dicing, calibrated for your countertop. Includes advanced dicing mechanism to ensure professional style results in your very own kitchen. MSRP \$599.99 CAD.
- **5-speed Cordless Hand Blender**: As powerful as a corded hand blender. Offers industry's first interchangeable bell blade assemblies – no tools required. Simply twist on and off from one bell blade to another. Blend, Mix, whisk, shred, chop, and more with the multiple attachments. MSRP \$299.99 CAD.

- **1.5L Electric Kettle**: Built for speed this kettle quietly boils water in minutes. The variable temperature control allows you to select the exact temperature to achieve optimal results. Dual wall construction helps keep the water temperature hotter for longer, while keeping the outside of the kettle cool to the touch. MSRP \$179.99 CAD.
- **2- and 4-slice Automatic Toasters**: KitchenAid's most advanced toasters ever. Equipped with a host of smart features for effortless toasting, such as Keep Warm Function, which automatically keeps toast warm even if you're not there. MSRP \$299.99 CAD (2-slice), \$399.99 (4-slice) CAD.

All products are now available for purchase at www.kitchenaid.ca and are available in the following colours: Medallion Silver, Onyx Black, Frosted Pearl and Candy Apple Red.
